“ It breaks my heart to hear about the passing of Billy! We were classmates at Thach for many years and haven't seen him for many years! Billy was always a good kind person and a very good basketball players as a young man! I have lots of fond memories of him in our younger years as classmates! I'm sorry I didn't know about his passing until today, I would have surely joined you all in the celebration of his life! May God fill your souls with peace and the many memories your family made with Billy over the years! You will all be in my prayers, now and always!
