“ *Englebert Family, my hope is this memory of my friendship with Chris will put a smile on your faces. The day she left college to return home and to marry Curt, I drove her and her large Donald Duck to the bus station. They boarded the bus and Donald Duck sat in her lap from New Mecico to California. Great memories of her time in college and our long distance friendship. Find peace!*

“ Chris was a member of our Thursday morning prayer group! She rarely missed and often played the piano as we made a joyful noise. She made our time together most enjoyable and ministered to us all as she lived her life for our Lord and Savior, Jesus Christ. She has left a void in our group but filled one in heaven. We all loved her deeply! Charlotte Nethery

“ Chris and I enjoyed so many good times, eating out after church on Sunday was the best. She and I talked all the time of how we were ready for the Lord to take us home after she lost Curtis and I lost Mike and Frank. Most recently she as she was remembering Curtis on his third year of passing, she was so ready to be with him, she did not have him here to help her with the selling of her house and moving all of the items they had collected over the years, purchasing her new car. Knowing all of this, I will miss Chris so much, but I am at peace knowing that she is where she wanted to be and reunited with Curtis.. Love you Chris.
