“ I can remember my sister and I spent the night with Pam and Chris and Chris took us for a ride through the cemetery and made it look like his car was broke down and that we were stuck in the cemetery, he had us so scared. I look back to the times I stayed with them, and I wish I could go back to those days. Chris would do anything for you with no questions asked. I will miss him so much. I can remember going to his house with my mom and we would be sitting in the Livingroom, and the phone would ring, and the phone was sitting on the couch between him and Timmy, and they would look at each other and say I'm not going to answer it you answer it.
