“ *I thought of you with love today, but that is nothing new. I thought about you yesterday and the days before that too. I think of you in silence & often speak your name. All I have are memories now, and your picture in a frame. Your memory is my keepsake,with which I will never part. God has you in his keeping,I have you in my heart! I love you Christopher Lynn McClendon anyways,always & forever, & I know you loved me too! I try to be strong,cause I know that's what you would want me to do, but in my heart I know I was meant to be there & with you as I was! I just never imagined I would be left on this earth and without you!*
