“ *The Engelbert's came into my families life when I was a very young child and have remained over 40 years. They became very close to my parents, Purvis and Mary McMillan. They became my parents son and daughter and my siblings and I brother and sister. In light of all that's going on in the world, the love of God transcended race in the bond our families formed as we knew through Christ we were united. Dad received the Holy Ghost in their revival in Freemanville, AL and went on to become a pastor and bishop. Rev. Engelbert was so kind and gentle and love the Lord with all his heart and will be missed. He is now present with the Lord in no more pain. I'm sure he and dad will rejoice that they have made it over and await the rest of the family to come on up.*

*With love,
The McMillan's*
