“ Jane, grief is so hard, but special memories will help you cope and as the days and weeks pass and you return to life's routine, you will be comforted by the love and support of family and friends. Your heart will soon be filled with wonderful memories of joyful times you shared together as you celebrate a life well lived. In time you will cherish the memories forever. No one else can really know all that you feel, but, please know that many caring thoughts are with you and your Family during this time of sorrow.

“ I remember that Papa Dave would take me to the lollipop store whenever I asked him to. (which was a lot) I always got an orange one and Papa Dave would get one too. Papa Dave would also let me style his hair with clothespins. I love you, Papa Dave!
Sincerely,
Aislynn Reeves

*Amy and Aislynn,
I sincerely enjoyed being David and Jane's neighbor and them talking about Miss Priss putting clothes pins in David's hair. The last time I talked to David I was walking in Centennial Park and sat down on a bench and talked to him for about 30 minutes before getting on the train to go to work. I hope that all of y'all were able to stay safe from COVID and tell Jane that I miss having her and David as neighbors.*
