“ *My sincere condolence to Bonnie and all of Eddie's family members. I first met Eddie many years ago when I was a resident of Sayre. We shared lots of memories during those days. I was always fond of both Eddie and Bonnie. May God's peace come into your heart, and may he give you rest and be with you always....R.I.P. Eddie*

“ *Mr Eddie was my patient during his illness. He was a breath of fresh air! I looked forward to seeing him and Ms Bonnie. During his time with me I learned many things about him and his family. During the summer they got me hooked on fresh tomatoes and we talked about how to keep them through the winter and making fried green tomatoes. I am very honored to have the chance to know this family! My thought and prayers go out to his family and friends!*
Sincerely,
Kim
