“*Condolences to my family on the loss of our sweet Ms. Ellen H. Elliott (Granny). Ellen was the greatest grandmother there ever was. She was the most beautiful person in the world.*

Granny had a kind heart, was very loving to all of us. She was always there to lend a shoulder to cry on, an ear when you needed someone to talk too. She gave her time and energy unselfishly. Granny would always end visit's with I love you and until we see each other again.

I just visited with Granny 2-1/2 weeks ago from South Carolina. She still had a sharp memory and had her lovely infectious smile. She knew we came just to visit her and said thank you for coming to visit since it's been awhile, I love you and be careful going home.

Heaven received a special angel today on July 6, 2016. She will be with Papa Leon, and will always watch over us.

I will always treasure every moment I was able to spend with you Granny and every talk we had. Thank you for always being there when we needed you. I will miss you and always love you.

Until we meet again.
