“ *Rest in Peace Geri, glad our paths crossed over 50 years ago and we made some stops together along the way. The kindness you gave to every person you met is your legacy, you were a lifelong friend, and we are all better people for knowing you. To her children, what a mother you were blessed to have, be proud. She was a true mama bear and loved you more than life itself. May you all find peace in time and treasure the years she was with you.*
