“ *I feel like I've known you my whole life. Whether we fought or loved you were always a part of it. I'm so grateful to have known you and I'm so glad Jacob is so much like you despite it driving me crazy. I hope you laughed every time I told you I wanted to smack the Jack out of him. I know you'll watch over him and keep him safe. I'll do my best to tell him all the great memories we shared. You are already missed so much.*

“ Steven wanted me to post that he loved Jack! He remembers when Jack moved in with his family as a teenager! He protected Steven when an older guy tried to come after Steven before Steven was even a teenager! Jack was Steven's brother's age, but Steven and Jack became close friends no matter the age gap between them! When Steven and I started dating he brought Jack over so we could meet each other! Him and Jack were together a lot! The 3 of us had so much fun together! When Steven and I got together Jack came over quite often!! Jack will forever be in our hearts and our memories forever! I was so shocked when I got the notification from New Horizon! I had just knew it was Jack! I asked Steven what was his middle name! And boom 🤯 it was confirmed that it was the Jack that I had met and was a close friend from the beginning! Fly High!! You will NEVER be forgotten!!!
