“ Share a memory of James Arden Sharit Sr. or send condolences to the family. (1) I give much love to and my prayers to Arden and his family. I have been friends with his daughter Karen since 7th grade. (38 yrs). That's a long time to remain friends in this time and age. Arden nicknamed me "beep beep", because whenever I road by their house I would beep my horn 2 times. He would say, I was outside and i heard beep, beep and I would see a red streak drive past the house. So whenever I would go by or pull in the driveway I would sound my horn-"beep beep" and they knew it was me. So having him call me beep beep instead of my name, I will miss very much. If I ever went over to spend the night during the summer, he would put me in his garden picking whatever needed picking. I was treated like a true family member. May you rest in peace Arden..love always Pam (beep beep) Levan.
