“ I wanted to be there for you and especially your mom Saturday at her services , but UAB , well you know. She was always smiling every time I saw her over the years, at bay showers or birthdays . Many times I could here her in the background and on phone and I would tell her the bug lady said hi , she would laugh . She was a remarkable lady and I'm sure a remarkable loving mother, wife and grandmother and friend to many . May the LORD comfort you all as you mourn your loss , but also give you all the beautiful memories and great times to replace the sadness. LOVE JANET (aka , the bug lady) Jane Brasfield -you made the best homemade apple pies ever !
