“ We have known the Pridmore family for nearly 40 years. Jay was always a person who would come to the aid of others with support and laughter. During our years at Good Hope together, he was always someone who everyone wanted to see. Jay's smile was contagious to all those around him, and we anticipated the random words he would use to make us laugh.

Knowing the Pridmore family for so many years, I know that Jay was raised to give back to others. By serving our country to secure our freedom, he gave the ultimate sacrifice. Some wounds are encountered on the battlefield, and others appear years later. Thank you, Jay, for faithfully serving your community and country. The greatest blessing is knowing that you were prepared to meet the Lord and eternally rest in His presence.

Much love and many prayers from us all.
