“ I was trimming bushes at grand dads place next door.... Got my fingers in the trimmer blades.. cut a couple of fingers pretty bad... went to Johnny's home & he came out to help me... all we could find quickly to wrap it up was some black electric tape from his work... taped it up... Johnny thought I was nuts to keep on working.... By the way my fingers are okay... loved this guy.... Took me fishing on his boat several times.... Did not catch much.... But he spent quality time w/ me.... I will miss him very much....

“ Prayers and condolences to his family. I remember him from Minor. I knew his mom and dad from Eastern Star. Very sweet family. So sad he is gone.

“ John's father and my mother were cousins. When Johnny would visit Lois Leonard, he's come over to our house and play with all of us kids...riding bikes and running around! He was a sweet guy and I have such fond memories of him, his mom and dad. My mother loved the family and we all grew up in such a sweet community. I'm saddened by his death - too soon! and I send heartfelt prayers for all John's family. I like to think he's reunited with our large and loving family who have gone on before us - and he's with all those who surrounded us with love and care. May he rest in peace.
