“ Bro. McPeek was a HERO is my eyes. He taught me so much and was there for me through some dark times of my life. I always love working with him around his house and the church while he was at Kennedy Church of God. He would come pick me up let me work he would feed me and work some more. Working for him was not easy but I loved it and everytime he called I wanted to go...he had some very strict working ways and things he done a certain way such as: cutting grass and weedeating when you finished weedeating and mowing you had to sweep the exterior walls of the building to get the grass off, he was particular about his vehicles as well how he washed them and waxed them...oh how many hours I spent washing and waxing his rides....even the lawn mowers. I remember those time he would run across the stage preaching, that song we sang p'wer in the blood while he sang POWER IN THE BLOOD. The memory the hits the most is the day we thought it would be a good idea to pull a broke down mower to his house behind his truck....after a few flips down county road 2 and a trip to the ER to get all the road rash covered on my body.....we was still able to hold a wedding that night at church. I loved this man so much, he was a great preacher....but he was more he was a PASTOR, he was a friend. Bro.McPeek, I love you sir, thanks for all the guidance you gave me all the love you showed me. I'm thankful to have known you and I will always remember you by the life you lived for Christ EVERYDAY!

UNTIL WE MEET AGAIN IN THAT HEAVENLY HOME...

I LIVE YOU SIR!!
