“ *My most memorable time with you is the day that we sat out under the big tree in your front yard. Daddy and you told Jeffrey, me, and Shawn so many things about the family. What a blessing that day was. I love you and I'll miss you.*

“ *Uncle Bub, I was blessed to reconnect with you a few years back. One of my favorite memories is when you, Daddy, Shawn, Jeffrey, and I sat under the big tree in front of your house. I loved hearing the stories of when you and Daddy were young. I love you and I will miss you.*

You are in a special place now without any pain or suffering. You are with my Mother now who passed away on the same day as you did. We don't always understand some things as to why they happen the way they do but you will be missed greatly. I will never get to hear your truck go by any more.

God bless you and you can rest in peace now
