“Joyce was an amazing woman and I know she will be up there in heaven watching over all her grandkids and keeping up with each and every football game/baseball game that she'd be at if she were here to see them dance/play in. I hope and pray that as I grow older that I will become even half the woman she was and for as long as she was!!! She was so good to Alyson and I each and everytime we were over at their house and she always treated Alyson as if she was just another one of her grandkids, feeding her and taking care of her while she was over there with the boys. We will both surely miss her kind soul and I can only imagine how much she will be missed by all of the grandkids as they grow older so just know that we will be praying for each of them and the rest of the family so that everyone will have the strength to get through the next few days as she is laid to rest.

Love,
Shelley & Alyson

“My prayers are with you all during this difficult time. I went to school and was in the graduating class from Minor High school with her son, Randy Snow and his younger brother, Dennis Snow was maybe 1 or 2 years behind us. She was such a sweet and kind woman. I remember coming to their house once and she was so very nice to me. I know she will be greatly missed. I will be praying for all of her family and friends for the Lord to comfort you all and give you all His peace unsurpassed.
