“Cousin Keith” was one of a kind. I thought he hung the moon. He was one of my best friends and I loved him more than life itself. He will be missed beyond measure.

“ Keith was a Great Friend in High School and a Close Football TeamMate.

Keith and I played side by side, our Senior Year and had to rely on each other when playing Offense. I always trusted him being at the right place, at the right time.

R.I.P. my Friend of long ago.

“ Keith was a good man and good friend. He was honest and a hard working man. Keith was a regular at "Headquarters", ie the Yellow Jacket where several local cattle farmers eat. He shared valuable insight about raising and managing cattle. I have known Keith since our days at Bagley. A person does not meet many people like Keith. He was one of a kind.
