“ I just learned of this today, my heart aches. I've only known Keith for the past five years but our conversations over those years showed me who this man is and has been his entire life. I never met Keith when he was in a bad mood and he always took time to talk about Jesus! Prayers for the family In days to come. I will miss the friendship we had but I know he is present with the Lord. Again Prayers from myself and the Kimball Midwest family Keith was more than a customer he was a friend.

“ Keith was the most honest and kind man I have ever met. We moved here to Alabama in 1998 from Indiana and when we needed our car fixed we went to see Keith. This was the start of a 26 year relationship that we will cherish for the rest of our days. God bless you Keith.
