“ Dearest sheila, David and Roy: just happen to look on the funeral home site and see where your dear Mother has made her transition to heaven and if she did not make it we don't need to even try. She was an angel to everyone and loved by everyone. I wish I had known and I sure would of been there. I know your heart is breaking. My prayers are with you all. Each of you are special to me!

“ *Fond memories are what we have of Aunt Lorene. Wash day on Gramma’s front porch, Aunt Lorene , Mother and Gramma would do the washing in a wringer washer. The water was heated in a big pot under the old walnut tree in the front yard. That was the modern way to do the wash 70 years ago. Those memories I will always cherish. We will keep you in our thoughts and prayers.*
