He,also, was in my husband's hunting club for a while! I was shocked and saddened to hear he had passed away! Mack loved his family so much. “Mack and I grew up together. When we were children, we went to church and school together. Though we have not been in contact in the last years, I have some really good memories of Mack. Our families were friends. My Mother was named for Mack's McCarty grandparents. I am so very sorry for your loss.
