“ We must learn to live on the heavenly side and look at things from above. To contemplate all things as God sees them, as Christ beholds them, overcomes sin, defies Satan, dissolves perplexities, lifts us above trials, separates us from the world and conquers fear of death.

I'm faithfully yours, an image of a man.

“ Melva was such an amazing person. She had a special gift to help soothe your hurts and always had a smile and a hug. I have many fond memories of her when we lived near each other in the trailer park and she even babysat my daughter several times. We have the same birthday and we always no matter what sent each other greetings and hugs and love on our bday. Heaven's gain is our loss, but she is finally at peace and with her precious Daddy again. Rest in Peace my sweet friend.

“Melva me and Leslie will miss you very much. It is very hard for me to write this post because tears are filling my eyes now. God knows the pain you went through and I know I tried to save you but I couldn't. I will always remember Friday night. I called the fire department when I was still in Memphis Tennessee to check on you. I called you later and you said you felt fine but in reality you were not fine. I came to Birmingham that night to go with you to celebrate your birthday on Saturday the next day, because I wanted to make your birthday very special. I am glad that I came to see you. I didn't know that this was going to be your last birthday. I am still in shock that you are gone. God knows now you are not suffering and you are with him in Heaven. Me and Leslie will always love you and will always remember the good times we had together. May you rest in peace my cousin Melva. 💔🌹🙏🕯️

To the family of Melva Lee Blackwell: Tommy, (brother) and I Barbara Thompson went to school with Melva. We are saddened for her passing. Earth's loss is Heaven's gain. Remember this scripture I will look unto the hills from whence cometh my help, my help cometh from the Lord. Look to him in this your hour of trouble and grief. Death where is you Victory oh grave where is your sting. Barbara and Tommy Thompson

“ *Melva and I went to School Together.
She was always the most kind hearted person. She would share
anything and everything she had. Even her lunch.
I have nothing but fond memories of Melva.
Rest now my Friend. I love you.
