“ I knew Michael for about 38 years and Michael always had a smile and kind heart, if more people could look at the world thru the eyes of Michael all would be better off . God is gaining a great helper and I am sure that there is another Bowman reunion going on in heaven as we make a fuss over him down here . And to Michaels family here on earth
may our heavenly father give you peace and comfort knowing that Michael has given so much joy to others while here on earth. may God Bless .

“ I've known Michael for a long time he was a loving and caring man. He was a good husband to my sister. I really don't have one certain memory of him because anytime he was around he would put a big smile on your face or make you laugh until you cried. Praying that gods love and strength will shine through to comfort the family and hoping his peace will fill your hearts to guide you in the days to come. We love you Michael you will be missed

“ *It has been years since i last saw Michael and Sandra but i do have some treasured memories if them from my childhood. Most if my memories come from our Bowman Family Reunion that we used to have every year at my Pawpaw (Danny) and Memaws (Linda) lake house. Those times were always filled with fun and lots of laughter! My heart breaks for the Bowman family. Fly high Michael and rejoice in your new healed body. These times are tough for family but I pray knowing that Michael is healed will provide the family with peace.*

“ *My favorite memory of Michael is of him and his "Z Z Top" car. He worked hard restoring that car and he drove it with pride. He always had a huge smile on his face when he drove up in that car. I love and respect Michael for being a father to my nieces and nephew . A good husband to my sister and a good provider for them. Michael was the kindest hearted person you would ever meet. We love you Michael and you will be dearly missed.*

“ *I am so sorry for your loss. I remember what a sweet man he was when he used to come to Daystar. He was always willing to pitch in and help where he was needed. I am praying for you and the family.*
