“ *My deepest sympathies to your family on the passing of your mother. I remember growing up in Chicago with you many years ago. I was thinking about your family not long ago and of the times we shared as children. Today remember that the Lord does not put on us more than we can bear. Our thoughts and prayers are with you during this most difficult time. May God bless and comfort each of you this day and in the days ahead.*

“ *Please allow me to offer my condolences to the, Aycox family with these comforting words: In Paradise, Jesus will fulfill his role as “the resurrection and the life.” (John 11:25) He will resurrect countless millions, giving them an opportunity to live forever in Paradise on earth. (John 5:28, 29) Imagine the reunions as beloved friends and relatives, long separated by death, embrace one another, quite beside themselves with joy! All mankind will praise God for his restorative power. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ crochetmerylsway@gmail.com*
