“ *Mimi will forever be remembered....Her smile, her laugh, such a tragedy at such a young age....you should be with us at K-Mart this Christmas season! It is going to be hard not seeing your sweet face there! You are safe in the arms of the angels now.....you don't have to endure the pain of what this world has to offer....I am honored that I got to know you you always had a smile for everyone you met, always a kind word as well, you never met a stranger. Even if they were the hardest person to deal with you somehow managed to have them smiling when the conversation was over. Love you sweet girl....an angel looking down from heaven whatching over us.....God speed to you....forever missed RIP Mimi*

“ She was a friend of mine throughout school from Bagley to Corner. We didn't see each other much after I left corner but when we did she always took the time to say hi. She was a great person inside and out. I have many memories of us. At my birthday party, school memories and staying the night with her when we were younger. You will forever be missed sweet girl. I'm sure those wings look beautiful on you. Rest In Peace MiMi. Prayers are with the Clark family. I know this is a very tough time.
