“ *Kathy,Donald,and Family,
Tim and I are so sorry to hear about Misty. As parents, we always think we would live this world first so I can't even imagine what you all have gone through having to lay the first born to rest.*

*Kathy,
I know you've had so much heartache, loss, and you have gone through so much in the last 6 to 8 months. My heart goes out to you and the girls. Due to other obligations we were not able to attend the service.*

We are sending lots of prayers,sympathy, and love your way and especially to Misty's children and grandchildren.

There are 2 memory's I would like to share with you. One is when Misty, Eddie Ray, and Billy were 3 or 4 years old and they were all dressed hunting Easter eggs at the old home place. And the day Misty got married...she was so beautiful!
