“ *Today makes a year since you left for heaven. I know you're exactly where you want to be, but that doesn't mean that I don't miss you like crazy. I still can't look at your picture without crying. As much as it still hurts, there's also a peace. I hope you know how much I love you and how I don't have a single regret for being the one here for you your last 7 yrs. It was hard but I'm honored to have had that time and memories with you. You will always be the best!! I couldn't have asked for anyone better than you and pawpaw. I love y'all and I know both of you will be waiting for me at the gates ...on it*
