“ It is impossible to speak about Richard without speaking about the entire Headrick family starting with Leo and Suzie. They raised wonderful sons, Richard was one of those sons and he was hardworking and a good man We mourn him Brother Preston Headrick was called to preach the gospel, and he answered the call, Another good man and brother.

I have known the Headricks since way back in the 50's, Susie working in the drugstore and Leo working in the mine and coaching the Sumiton Little League Team in his spare time

Richard showed his nettle at a very early age. A new Little League was formed consisting of Dora, Sumiton, Sayre, and Red Star.

We had an occasion to play Sumiton coached by Leo and Dora coached by Horace Roberts We had a game scheduled at the Dora Elementary baseball field. Problem was Sumiton could only field eight players. BUT, 6 year old Richard came along with his brother and Dad to the game. After realizing he didn't have enough players, Leo asked if Richard could play even though he was too young to be on the team Both coaches agreed I'm sure he was the youngest little leaguer ever to play in an official game. Everybody was so proud of Richard,
