“ I remember Sam from our days together at Good Hope. He served in Vacation Bible School and in the children's department along with Paula. Babysitting Cecil was one of my first babysitting jobs; it blessed me that I was trusted to care for Cecil. I always knew that raising their children in church would point their children to becoming Christians, which is why Charlie and Cecil live as strong men who rely on God today. Without salvation from Christ, Sam would have been rejected by God once he entered heaven. But because he was a child of God, all sin in his life was nailed to the cross, which allowed him to present himself in perfect purity to God. What joy we all have to know that Sam is with God for all eternity!

“Where to start the 1st trip to Talladega Super Speedway and he was hooked! Sliding down the front stretch on cooler lids. Saturday night racing at Sayre. The excitement he had watching Bronx and Joe play baseball. The long talks and hearing how he loved his boy's. And always the last thing I love you my friend and that smile. See you later my friend how beautiful heaven must be. Love you Sambo

“Sambo, we've been friends... I guess since the day we met in the first grade. I can't remember not knowing you, and I can't remember you not being my friend. We shared a love of the outdoors, country music, and so many other things. You were more than a friend, you were my brother, and you will be missed.

“ sam was a wonderful soul placed on Earth for every one to have a friend. I was privilege to have gotten to know him and become friends. I will cherish all the times we spent running around together. I always look forward to him calling me up Thursday threw Saturday wanting me to come pick him up to go out running around. if I was having a rough week he could sure put a smile on my face to see how he enjoyed life so much. he would all ways ask me when he got in my truck, cowboy why you my friend. well bud cause you are my kind of people brother. easy going didn't care what others thought of you and could have a good time anywhere even if the crowd wasn't our type we would still make them talk to us and laugh. save a game off pool for me up there. syotos.

“ I have so many but the two that stand out the most are the baseball season last year when Sam helped with coaching. He was always fired up which got the kids fired up and that made my job a lot easier. And the second is from just two short weekends ago, we are playing a double header and I look up to the right field bleachers and there's Sam Yankees coaching shirt a blazin' with the same excitement and passion for life as I've always known him to have. I for one will miss you greatly sir.
