“ Many years ago I knew your great Auntie Gertie PAIR Richardson and Claud. They were some of my parent's favorite people there in Carbon Hill. Gertie always had such bountiful gardens and was so willing to share her crops. My Dad Tommie McGOUGH worked at the Gus Early Lumber yard and often stopped after work to visit with Gertie and Claud.

I left to attend college in California. In 1997, when Gertie died, I was driving by myself from California, stopped somewhere in Texas to phone home. My Mom Opal, widowed, never drove. So Mom told me to HURRY and DRIVE all night to get there fast-fast-fast so I could drive her to Gertrude's funeral---which I did.

My grandmother was Mary Ida "Tinsey" Pair (married Walter Watts). About 2005 I met Vera Mae at the home of Sara PAIR Wilson who lived on Nix Rd, Nauvoo. Sara had just had surgery on brain tumors and died soon after I visited her. Sara and I had worked together to have a grave marker placed on our ancestor James C. PAIR and Malinda PHLLIPS Pair grave in Winston County.

Just wanted to say "Howdy" from California
