“ My favorite memory is when I took him a chocolate cake last Labor Day at the Light family at his and Debbie house. I sat it down in front of him and he told everyone sitting around him that was plenty of deserts and that was all his and nobody was to touch it. He then started laughing Debbie, Allison love and prayers
Just remember footprints 🦶 in the sand when you see only one set of footprints 🦶 that's when Jesus is carrying u through the storms of life.
Love the whole Light Family.
