

Timothy Marvin Elders

October 30, 1955 - September 17, 2018

Timothy Marvin Elders (Timmy), of Mesquite, Texas, passed away unexpectedly, at his residence, on Monday, September 17, 2018. He was 62 years old.

Memorial Service will be held Thursday, October 4, 2018 at 11:00 am in New Horizon Memorial Chapel. Visitation will begin at 10:00 am Thursday.

Timmy is survived by his loving wife of almost forty-one years, Barbara Ann Elders. He was preceded in death by his father, Samuel Marvin Elders, his mother, Mattie R. Fleming, his sister, Rita Elders, and two brothers, Sammy Elders, and Micky Elders. Timmy also leaves behind a host of friends and family who loved and respected him very much.

As owner of his own business during the past twenty five years and as a Division Director for Captain D's, a company he worked at for twenty one years, Timmy was well steeped in the business world. He not only knew what it took to be successful as a leader, he also knew what it meant to be successful as a person and as a husband. He was well thought of by everyone who had the honor of being associated with him.

Timmy was a member of Eastfield Baptist Church. He was a longtime Christian who loved the Lord with all of his heart. Without giving it a second

thought, Timmy would literally do anything for anybody at any time. His compassion and empathy for others was evident in the life that he lived and by the positive examples shown by his many kind acts and deeds.

The loss of Timmy is sad, indeed, for all of the loved ones he left behind, especially for his wife, best friend, and devoted spouse, Barbara. However, Heaven is surely a richer place with Timmy's entrance into it. Heaven's choir now has another voice added to its wondrous angelic sounds, one singing alongside his departed love ones, adding to the beautiful melody of Heaven itself.

“ It is impossible for me to think of my friend, Timmy Elders, without thinking of his wonderful wife, Barbara Rouse Elders. They were an inseparable couple who complemented each other to the fullest extent possible. They laughed, loved, and, sometimes, cried together through many difficult situations, many times relating to Timmy's declining health problems, especially over the last few years. But, they always did it together, always letting each other know that their bond of love could never be broken, in life or in death. Timmy meant a lot to his family and he meant the world to Barbara. I am proud and honored to call one of them my sister and the other one my brother-in-law.
