“ I grew up in Shady Grove and meet Bill back in 1960. He was a good person and wanted to see him again but have been sick for an extended period and was not able too reconect. I would like to hear some more stories. I remember when Corner won the championship. I know he is in Heaven.

“ I had the honor to be a classmate and a team mate of Bill for 3 years at Corner. He was always a joy to be around. He always told great stories. We talked at least once a week for several years. I always enjoyed it when he would say "Hello Fredrick". I say thank you for being so wonderful to a lot of people.
