“ *David and I are so sorry for your loss. Will was one of the friendliest people I've ever known in my life. We are praying for comfort and peace for the family and friends. Kris and Mary Beth absolutely thought the world of him. David and I were only around him a few times, but I do know he loved his family and friends and was always full of life and ready to have fun. He was one of the most generous people there could be. He always had a minute to help anyone.*

“ I can't wrap my head or heart around you being gone.

You have been my friend for over 20 years. I cherish our military days and all the adventures we shared. You and I have always had a special connection and there is no one like you. Your kindness, laughter, friendship and love have been a constant in my life. You have a special piece of my heart! You loved your family deeply and were an amazing dad. I will be praying for the kids and your family. You are so missed by so many. You impacted lives everywhere you went. Behave up there my friend and come visit my dreams sometime!
