“ *Dear Family, I am so sorry about the death of your dear loved one. May you find comfort from the Bible's promise of a resurrection in John 5: 28 and 29. Also, may you find comfort in the fact that God promises to make our earth a peaceful place to live. Revelation 21:3 and 4 says that death, pain, and sorrow will be done away with. How our loved ones, as well as us look forward to that day soon to come.*

“ *Darlene and Ben,*

My thoughts and prayers are with you during this most difficult time. I love you both very much and am so sorry I cannot be with you. Please know that I would be if I could. I loved my Uncle Willie so much! I know he is in a better place, but I also know how much you will miss him. Take care of each other. Love always, Tabbie
